Enhancements guide

Bulk message reporting

To access the reports for the Bulk messaging service:

1. Click on '**Reports**',
2. Expand the '**Operational**' section on the left.
3. Select the '**Bulk SMSs sent report**'.

This report will show you the individual transactions that have taken place on your Bulk account. i.e.:

- What was sent,
- Who sent them,
- What was said,
- Your current SMS balance,
- How many you have already sent, and much more.
