## User guide

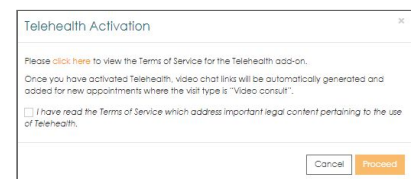

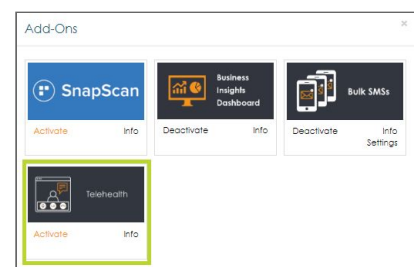

### 1. How to activate the Telehealth video consulting service

To activate the integrated Telehealth video service:

1. Click on the '**Add-Ons**' button in **myMPS**.
2. Click on the '**Activate**' button on the Telehealth tile.

3. Check that you have read and accept the **Terms of Service**.
4. Click '**Proceed**'

The Telehealth service will then be active and accessible from the **myMPS** Calendar.

Should you be looking for more information on the product, click on the '**Info**' button on the right of the tile.
